Heritage Project: Due on November 20th. Please see note that is coming home today.

November 2018

Families,

Thank you to all who attended our fall parent-teacher conferences. It was good seeing each of you!

Please remember to send in appropriate clothing for the weather. Students will not be able to play outside if they do not have a coat on cold days.

Our first project will be coming home this week. This will need to be completed at home. If you have any questions about it, please ask. It is worth a lot of points.

So thankful for each of you!

Mrs. Kuehner
