

# 5<sup>th</sup> Grade

Windsor Elementary

September 2016

## What's Happening?

September 16<sup>th</sup> Midterms cut offs

September 19<sup>th</sup>-Family Fun Night 5:30-7

October 2<sup>nd</sup>-Picture Retakes

## Classroom Notes

**Reading:** The next several units in Treasures will cover the following comprehension topics: generating questions, cause and effect, summarizing, and compare and contrast.

**Math:** We will begin Ch. 2, which is over rounding numbers and adding and subtracting whole numbers. This chapter should be a review for everyone.

**Social Studies:** Students will learn about Declaration of Independence and Bill of Rights

**Language:** Fifth graders are working on sentences and descriptive paragraphs along with personal narrative mini-lessons.

**Science:** Students will review and learn more about weather, weather tools, the water cycle, and the scientific process.
