

Henry County R-I School District  
Imagine, Inspire, and Innovate

*Partnering together as a school and community to support educational excellence and equity for every student we serve.*

Dr. Kristee Lorenz

November is a very special month in the Henry County R-I School District as we celebrate Veteran's Day. The District will host a Patriotic Proud Red, White, and Blue Veteran's Day Breakfast on November 10, 2017 from 7:30-8:45 a.m. at WHS for all veterans and their spouses. In addition, WHS and WES will present a special Veteran's Day recognition at 9:00 a.m. to honor and celebrate those who serve our country.

The CSIP/Mission 2022 survey is available to take on the district website from October 23, 2017-November 6, 2017. Stakeholder input is needed as we gather feedback to update the 5-year replacement schedule in the areas of instructional resources, technology, facilities, and extra-curricular programming.

Please note a special election will be held on November 7, 2017 for the Henry County R-I School District. The ballot question named Proposition One of the Henry County R-I School District Board of Education will ask local voters to consider the full elimination of the Proposition C Sales Tax Rollback in its operating levy. This question is being asked of local voters in order to replace and offset state funding reductions, continue existing school programs, retain qualified staff, maintain its facilities, and meet the operating expenses of the District.

Our school and community partnering together to support educational excellence and equity for every student we serve will support our students on the road to Greyhound greatness. Imagine, Inspire, and Innovate represents a valued partnership focused upon making a positive difference for Windsor students. Relationships are the core of community and essential to continuing the great work we are doing for students in the Windsor community. Our community is interwoven with individuals who have proudly served our country. Please take a moment to thank a veteran.
